Of Men and Women Nov 08 2021 A provocative and fascinating exploration of male-female relationships by the Nobel Prize-winning author of The Good Earth. Pearl S. Buck grew up in China, accustomed to its

traditions, but when she moved to the United States as an adult in the 1930s she was struck by the cultural differences in gender roles and expectations. In nine short chapters, she applies this personal experience to an exploration of the power dynamics of the American household, drawing one universal conclusion: "Complete freedom is the atmosphere in which men and women can live together most happily. But it must be complete." As she makes her case, Buck outlines two American female archetypes: the dissatisfied "gunpowder woman" and the placid "angel." "Sensible and witty, merciless and often amusing," this is a book that ultimately delivers a clarion call for men and women to find common ground and succeed hand in hand (The New York Times Book Review). The first American female Nobel laureate, Buck was a pioneer women's rights activist and humanitarian who believed both sexes could find happiness together, even in challenging economic or political circumstances. Imbued

with an unshakeable faith in equality and strident candor, *Of Men and Women* remains a daringly original and candid work in the canon of feminist literature. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Peony Nov 20 2022 The life of a bondservant is inextricably related to the Jewish family she serves in this historic novel of K'aifeng Jews in the early 1800s.

Söhne Nov 15 2019

Pearl S. Buck Aug 17 2022 Pearl S. Buck's portrayal of Chinese peasants was the first literary representation, in China as well as in America, of the majority of the Chinese population. Her work changed the image of the Chinese people in the American mind--ultimately facilitating the 1943 repeal of the 61-year-old Chinese Exclusion Act and arousing Americans' support of the Chinese resistance against the Japanese aggression in World War II. From a multicultural point of view, Chinese scholar

Kang Liao analyzes Buck's phenomenal success and the ensuing neglect of her works by American critics. Liao's insights into Buck's function as one of the few writers from an age of Eurocentrism who shed light on a new age of multiculturalism will be of interest to both students and scholars interested in race, class, and gender issues.

A Study Guide for Pearl S. Buck's "The Good Deed" Mar 12 2022 A Study Guide for Pearl S. Buck's "The Good Deed," excerpted from Gale's acclaimed Short Stories for Students. The China Mystique Feb 17 2020 Focusing on three women, Pearl S. Buck, Anna May Wong & Mayling Soong, this book studies the shifting images of China in American culture,

particularly during the 1930s & 40s.

Summary of Pearl S. Buck's My Several Worlds

Dec 21 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 My life has been split between two continents and two different eras. I am a creature instinctively domestic, but the age in which I was born combined with my writing talents to compel me to live deeply in home and family, as well as in the lives of many different peoples. #2 I was born in the US, but my parents decided to send me to China at the age of three months to live with my grandparents. I grew up in Asia, and my own country became the dreamworld, fantastically beautiful, inhabited by a people I believed were entirely good. #3 I grew up with the idea that America was the land of dreams, and I was shocked when I went to China and realized that the world around me was Asian. I learned about India early on, and shared the stories of its people with my friends. #4 In the secret thoughts of the

Chinese, the westerners were considered foreign enemies. The Americans were good, but the Europeans were bad. The Chinese and Asian allies were constantly fighting the imperial powers of the West.

The Big Wave Oct 07 2021 Kino lives on a farm on the side of a mountain in Japan. His friend, Jiya, lives in a fishing village below. Everyone, including Kino and Jiya, has heard of the big wave. No one suspects it will wipe out the whole village and Jiya's family, too. As Jiya struggles to overcome his sorrow, he understands it is in the presence of danger that one learns to be brave, and to appreciate how wonderful life can be. The famous story of a Japanese boy who must face life after escaping the tidal wave destruction of his family and village.

Pearl S. Buck's China Oct 27 2020

Kinfolk Feb 23 2023 Four Chinese-American siblings make an emotional journey to their ancestral home in this novel from the Nobel and Pulitzer Prize-winning author of *The Good Earth*. Dr. Liang is a comfortably well-off professor of Confucian philosophy who fled China because of the government's crackdown on intellectuals. Now, settled in 1940s New York, he believes in the notion of a pure and unchanging homeland. Under his influence,

Liang's four grown children make the momentous decision to move to China, despite having spent their whole lives in the United States. But as the siblings try in various ways to adjust to a new place and culture, they learn that the definition of home is far different from what they expected. Kinfolk is the involving story of an American family and literary fiction of the highest order. The New York Times bestselling author of *Dragon Seed*, *China Sky*, and many other novels, explores the complexities of immigration, multiculturalism, nationality, and the primordial human longing to find our roots. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Het China-gevoel. Mijn verwantschap met

Pearl S. Buck May 02 2021 Twee westerse vrouwen die China van binnenuit hebben leren kennen: de Amerikaanse schrijfster Pearl S. Buck in de eerste decennia van de 20ste eeuw, en schrijfster Bettine Vriesekoop met enige

regelmaat sinds de jaren zeventig. 0Buck kwam in China als dochter van een predikant die vooral de arme boerenbevolking wilde bekeren. Opgroeiend in China tussen de Chinezen, gaf dat haar een unieke en authentieke blik op het toentertijd in het westen volstrekt onbekende land. Daarover schreef zij later zo overtuigend dat Pearl S. Buck de eerste vrouw was die de Pulitzerprijs ontving voor haar boek 'De Goede Aarde' (1931), en ze won als eerste Amerikaanse vrouw de Nobelprijs voor Literatuur (1938).

0Toen Bettine zich ging verdiepen in haar leven en werk, merkte ze dat Pearl haar tijd ver vooruit was; haar inzichten over China zijn verrassend actueel. Mede omdat zij met hart en ziel schrijft over het eenvoudige plattelandsleven in China, werd zij voor Vriesekoop een leidsvrouw, 'de goede geest achter het bamboegordijn van China'. 00.

The Story Bible Apr 20 2020 With her magical ability to tell a story, the Nobel and Pulitzer Prize-winning author of *The Good Earth*, Pearl S.

Buck, retells 72 stories from the Old and New Testaments in language both understandable and enjoyable to the modern reader.

The Rainbow Nov 27 2020 The memorable last novel by America's beloved Pulitzer Prize winner.

Pearl S. Buck's Novels of China and America

Dec 09 2021 This book, the first single-authored book-length study of Buck's fiction for over twenty years, shows how Buck's thought developed through the medium of her fiction - from her early turbulent years in China to her last lonely days in the United States, with chapters examining her loss of faith in Christianity, her reflections on Chinese life during and after the breakdown of Old China, her voluminous reading, her confrontation with the horrors of American racism and sexism after her return to the United States, and her final metaphorical search for home as she approached death. The book argues that Buck, the first American woman to win both the

Pulitzer and Nobel prizes for literature, was a heroic forerunner of those who, while occupying a place in the world, never feel fully at home there; in Buck's case because her Chinese identity throughout her life struggled with her American. For this reason Pearl S. Buck's fiction deserves to be considered alongside that of writers such as Anchee Min, Maxine Hong Kingston and Amy Tan. The book's central claim is that Buck is a major novelist, capable of speaking to the distress of our times, richly deserving the honor she has received in China, and deserving greater recognition in the United States.

Pearl S. Buck Feb 28 2021

Pearl S. Buck Sep 06 2021

Aristocratic Women in Pearl S. Buck's Novels Jul 24 2020 It was while living in Nanking that Pearl Buck completed her first novel *East wind: West wind*, which was published in 1930. Her life and her writing blended the East and the West, and she always managed to see both sides of an

issue. She was able to write with complete truth and candor. Although considered a novel, East Wind: West Wind consists of two long stories. East Wind: West Wind, which became immediate popular with the reading public, focuses on a young Chinese married couple who are caught in the conflict between traditional customs and the new, fashionable Western beliefs. The appearance of Pavilion of Women (1946) once again proved Pearl Buck's popularity. Madame Wu, the leading character, and Brother Andre, the totally unselfish, dedicated scholar, combine to create what is probably Pearl Buck's strongest statement of benevolence and humanitarianism within the pages of a novel. In several respects Madame Wu is a fictional counterpart of her originator. Brilliant, energetic, and a capable manager, she is converted to kindness, generosity, and a loving awareness through Andre's philosophy and example. The book insists that biblical values can solve any problem.

The Good Earth Oct 19 2022 A Chinese peasant overcomes the forces of nature and the frailties of human nature to become a wealthy landowner.

The Good Earth Jul 16 2022 "Get your "A" in gear! They're today's most popular study guides-with everything you need to succeed in school. 2021 The many moods and faces of Christmas are portrayed in this collection of short fiction by nineteenth-and early-twentieth-century authors
A THEMATIC STUDY OF PEARL S. BUCK'S ALL UNDER HEAVEN AND THE DEVIL NEVER SLEEPS Jun 03 2021

Pearl S. Buck is a humanitarian writer and her writings are of moral issues that deal with many aspects of the sordid atmosphere of the modern world and the inner torments of mankind. Her novels are about problems exist in the real society where she lived and wrote her novels. This book is a thematic study of two of Buck's novels: All Under Heaven and The Devil Never Sleeps. In All Under Heaven Pearl Buck depicts the bad consequences of the Cold War on people's life and criticizes the racial discrimination caused by the Cold War and tries to reduce that racial superiority because she believed that all under heaven are one. Also, she enlightens us about dilemmas faced by masses of American women. She criticizes women's passive role and doing

nothing in order to improve their situation in a society dominated by men. In *The Devil Never Sleeps*, Buck presents people's sufferings and wretched life because of communism. She shows that most of the revolutionary parties' promises are not true. They promise their followers a perfect life, demolishing of classes and people will be given whatever they want or wish. But, only then, people will discover that this is not really what they were looking for, or wished.

Pearl S. Buck's Chinese Women Characters

Jun 22 2020 As a result, the reader will find that Buck's female characters, with their different degrees of individuality and typicality, form a realistic picture of Chinese women."--BOOK JACKET.
