The peoples of northwestern California's Lower Klamath River area have long been known for their fine basketry. Two early-twentieth-century weavers of that region, Elizabeth Hickox and her daughter Louise, created especially distinctive baskets that are celebrated today for their elaboration of technique, form, and surface designs. Marvin Cohodas now

explores the various forces that influenced Elizabeth Hickox, analyzing her relationship with the curio trade, and specifically with dealer Grace Nicholson, to show how those associations affected the development and marketing of baskets. He explains the techniques and patterns that Hickox created to meet the challenge of weaving design into changig three-dimensional forms. In addition to explicating the Hickoxes' basketry, Cohodas interprets its uniqueness as a form of intersocietal art, showing how Elizabeth first designed her distinctive trinket basket to convey a particular view of the curio trade and its effect on status within her community. Through its close examination of these superb practitioners of basketry, *Basket Weavers for the California Curio Trade* addresses many of today's most pressing questions in Native American art studies concerning individuality, patronage, and issues of authenticity. Graced with historic photographs and full-color plates, it reveals the challenges faced by early-twentieth-century Native weavers. "Extremely well written and based on an impressive amount of archival research. . . . It skillfully interweaves biography, rigorous stylistic analysis, and social history into an impressive story."--Janet Berlo, editor, *The Early Years of Native American Art History* Published with the assistance of The Southwest Museum, Los Angeles. from many languages, span a wide range of politics, culture, literature, and art. This collection examines what was simultaneously a tense and innovative period in modern Jewish history. Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series. to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. It serves to draw in a more local reference: Florence Court Demesne in County Fermanagh was built around 1750 and originally named for Florence Wrey, wife of Sir John Cole. MARIA EDGEWORTH was born in 1768. Her first novel, Castle Rackrent (1800) was also her

first Irish tale. The next such tale was *Ennui* (1809), after which came *The Absentee*, which began life as an unstaged play and was then published (in prose) in *Tales of Fashionable Life* (1812), as were several of her other stories. They were followed in 1817 by the last of her Irish tales, *Ormond*. Maria Edgeworth died in 1849. Edited with an introduction and notes by Marilyn Butler. Once upon a time, Flio's house was nothing more than a humble home in the woods for himself and his wife, Rys, but now it has grown to a veritable mansion that hosts a thriving community of demons and humans alike. The realm of Klyrode itself has gone from a land of strife to a chill place where ancient foes live and work side by side. Even the angels of the Celestial Plane are taking notice of Flio's exploits, namely a marvelous potion that women everywhere swear makes your skin smoother... Can Flio find the ingredients to make more of the coveted serum, now that he's used up his wyrm blood stash? Moreover, how will Dawkson adjust to the trials of leadership? And how is the Shadow King still causing trouble somehow?!
