Breaking Rules Oct 27 2020
He's fighting to protect his heart. She's fighting to protect her honor. Brooding, high school quarterback, Train Everly, was on the fast track to play college football until one misstep at a party put his chances in jeopardy. Now in his senior year, he's sworn off girls, no steady relationships and definitely no sex. The last girl he'd fallen for tore out his heart and stomped on it with stiletto heels. Graffiti artist Montana Smith has

been expelled from high school more times than her mother cares to count. But the new sleepy, southern town is ripe with temptation, especially when Montana meets the star quarterback. She's drawn to Train's sea-green eyes, and his quiet personality. She isn't ready for his moodiness or his ex-girlfriend. As their relationship ebbs and flows, and the drama explodes, both will be tempted to do things that could lead to trouble. What romance readers are saying about BREAKING RULES "Oh man, did SB Alexander ever knock it out of the park with this one. Train and Montana were just what I needed. The chemistry between them was hot and instant. But it didn't have the typical "high school" love feel about it. It was deeper, stronger and so much more intense. Watching these two figure out how they felt about each other was hilarious at times. They pushed each other's buttons and got out of their typical comfort zones." -T&G Book Boutique "The passion that sparks off the page every time Train and Montana are together will make your heart beat faster. This is a superbly written story with coming-of-age angst, steamy romance, and a mystery thrown in for good measure." -Neila "This is a first from this author and it defiantly won't be the last I read this in one sitting couldn't put it down and now that it's finished I want to read it again." -Adriana "Classic high school setting, feisty MC, and a plot that doesn't let up at all as it takes off with a flying start and maintains that speed all the way to the very end. I devoured every word,

every look, every emotionally-charged scene." - Vicky "FLOVED this book! I couldn't put this book down it was so good!" -Katy "Great characters, great plot, strong writing and an excellent romance - not even mentioning my lust for all QBs (Train is particularly yummy) and how much I simply "was" Montana Smith way back when." -The Mysterious Reader "Extremely entertaining, captivating and interesting sexy read. I could not put it down. Wonderfully written with strong characters." - Kim Topics: young adult, high school romance, sports romance, football romance, coming of age romance, angsty romance, enemies to lovers romance, strong heroine, small town romance. slow burn romance, alpha hero, teenage angst, teen romance, steamy romance. **Fix it Before it Breaks** Sep 25 2020 Covering what to watch for and when to check for needed maintenance, this book organizes topics seasonally so readers can plan their management tasks on an annual basis. THIS is Where You Come From Jun 03 2021 What is going on? What has happened since we left? We are anguished because we don't recognize: The condition of the family, The condition of the church, The condition of schools and universities, The condition of the cities and neighborhoods, The condition of our beloved country, the United States of America. We are Tom and Tullos, and during our time on earth, we lived in New Orleans, Louisiana, the Deep South. We lived through some challenging times in America, growing up in the 1930s and 1940s and as adults raising a family in the 1950s, 1960s, and 1970s. We departed in 1982 and 2002 respectively. In our feelings of anguish from our heavenly perch, we thought we should tell ya'll a few short stories. These stories were first intended for our grandchildren and great-grandchildren to let them know that the world doesn't define who they are. However, as we recollected the stories, we realized we loved beyond our own. So we thought we would share. Here are a few stories we believe should impact the things that anguish us, for such a time as this.

It's All about Business Nov 15 2019 *The Whole* Dec 17 2019 From John Reed, author of the controversial Orwell parody, *Snowball's Chance*, comes a subversive satire of modern culture, the complete lack thereof, and a lost generation that no one even tried to look for. In the middle of America's heartland, a young boy digs a small hole in the ground...which grows into a big hole in the ground...which then proceeds to drag the boy, his parents, his dog, and most of their house into a deep void. Then, as abruptly as the hole started growing, it stops. So begins the first in a series of events that takes the beautiful-if-not-brainy Thing on a quest to uncover the truth behind the mysterious Hole. Inspired by visions, signs, and an unlimited supply of pink cocktails served by an ever-lurking "Black Rabbit," Thing

and her dogged production crew travel around America, encountering Satanists, an Extraterrestrial/Christian cult group, and a surprisingly helpful phone psychic. Their search for answers could very well decide the fate of the world as they know it. But the more Thing learns about the Hole, her shocking connection to it, and the mind-boggling destiny that awaits her, the more she realizes that human civilization isn't all it's cracked up to be -- and that it's just about time to start over.

The Nakano Thrift Shop Sep 06 2021 This "gentle, humorous novel" follows a young Japanese woman as she yearns for the love of a reluctant coworker (The Wall Street Journal). The objects for sale at the Nakano Thrift Shop appear as commonplace as the staff and customers who handle them. But like those staff and customers, they hold many secrets. If examined carefully, they show the signs of innumerable extravagances, of immeasurable pleasure and pain, and of the deep mysteries of

the human heart. Hitomi, the inexperienced young woman who works the register, has fallen for her coworker, the oddly reserved Takeo. Unsure of how to attract his attention, she seeks advice from her employer's sister, Masayo, whose sentimental entanglements make her a somewhat unconventional guide. But thanks in part to Masayo, Hitomi will come to realize that love, desire, and intimacy require acceptance not only of idiosyncrasies but also of the delicate waltz between open and hidden secrets, in this novel from the author of *Strange Weather in Tokyo* that "captures an untranslatable Japanese mood" (The New York Times). "Uses a series of vignettes to chronicle a girl's time working at Mr. Nakano's secondhand store in Tokyo . . . Pleasant, leisurely prose." —Publishers Weekly "Hiromi Kawakami's charming novel illuminates moments of kindness, love and friendship that pop up like the unexpected treasures amid the shop's dusty collection of pretty mismatched bowls and plates, castoff eyeglasses, task lamps and old electric fans." —Minneapolis Star-Tribune

Almost Like Being in Love Jul 24 2020 From the author of *Somebody Like You*, a RITA finalist, and one of Publishers Weekly's top ten books of 2014, comes the story of a woman who has everything for a perfect wedding—except the groom! Winning an all-expenses paid Colorado destination wedding might seem like a dream come true for some people—but Caron Hollister and her boyfriend Alex Madison aren't even engaged. How is she supposed to tell him she's won their wedding and honeymoon when he hasn't asked her to marry him? Being “perfect for one another” seems like the absolute best reason to get married. But what if their supposedly faultless relationship is merely a safe place to protect his secrets and a way to keep their families happy? After quitting her job, Caron accepts her best friend's offer to visit Colorado. She needs to catch her breath. Who knows, maybe visiting the destination wedding site will make a future with Alex seem

like a reality. Kade Webster just landed the biggest deal of his life with his company, Webster Select Realty, participating in the Colorado Springs Tour of Homes. He never imagined he would run into the woman who broke his heart—Caron Hollister—right when his career is taking off. Seeing her again, Kade can't help but wonder why Caron walked away from him years ago, leaving him with no explanation. When Kade learns his home stager won't be able to help with the Tour of Homes, he vaults past all the reasons he should stay away from Caron, and offers her a temporary job helping him on the project. This time, their relationship is purely business. Spending time with Kade has Caron questioning everything. The man intrigues her—at times infuriates her—and reminds her of what she lost. Has she been settling for what everyone expects of her? Just because others believe she and Alex are an ideal couple, does that mean they should get married? And how can Caron say “I do” to one man when she's wondering “what if?” about another?
