first time! Timespell A druid's determination...A witch's stormy rite of passage... Katerina eats, sleeps, and breathes cultural anthropology. The only stain on her success is her worry she'll go mad just like a few other women in her family. That fear rockets to the fore when she's on a lecture tour in the Scottish Highlands and hallucinations grab her, visions rife with horrors straight out of medieval folklore. Arlen, Arch Druid for all of Great Britain, hasn't called on his magic much in the past hundred years. No need for it in the midst of the twenty-first century. While attending a lecture, he detects fell forces. A closer look reveals the impossible. He'd thought the Roskelly witches long dead. Brutal, feral, violent, they were the force behind Scotland's bloodiest clan wars. Risen from their crypts, they're intent on Katerina. What he can't figure out is why. Time's Curse Beware of witches, especially ones who pretend not to be... Born a Roskelly witch, Liliana's spent most of her life running from who she is. Wielding dark power is dangerous, seductive. Mostly, she passes as human—until a clumsy spell lands her in 1890s Glasgow, and her web of fabrications collapses. Blackest of Black Magic workers, her Roskelly kinswomen are on the move. Risen from their crypts, they've set their sights on anyone standing in their way. Sean makes certain Druid wealth remains invisible. Consumed by the seedy world of offshore havens, he's caught unaware and shanghaied backward in time. Furious at being targeted, he vows any witch who crosses his path will die a fiery death. He may have pissed off the Roskellys, but he'll make damn good and sure they rue the day they bullied him. Time's Hostage A witch with no loyalties... A Druid with a life-shattering secret... Part witch, part demon, Sorcha's been on the run ever since she escaped Hell's gates. Bouncing through time, she's managed to stay one step ahead of Rhea Roskelly, blackest of Black Witches, who wants her for her demon blood. Constantly looking over one shoulder is annoying, but freedom is worth any price. Tavin used to be a Druid. Actually, he still is, but his magic took a decidedly unDruidlike turn a few years back. Rather than deal with his kinsmen, who'd be convinced he sold his soul to evil, he drops out of sight. "A JOY" OF A FUNNY COZY MYSTERY Is it bad if the 9-1-1 operator knows your voice by heart? Move over, Iron Chefs. Here comes Kateri StumblingElk, a bumbling wedding planner with a fully-fueled culinary torch and zero talent for cooking. Kat doesn't how to cook, but she thinks she does. And she'd rather run a restaurant kitchen than plan weddings for the daughters of the ultra-rich. But she's too broke for the CIA (Culinary Institute of America), so she's stuck. Kateri's driven away so many dates with her cooking she's given up on men, set her kitchen on fire too many times to count, and is well-known in the ER. Her love of food has kept her going and now

it looks like Kat may have found the ticket to opening her own restaurant: backing from the mother of the bride. If only Kat can keep mommy and her entourage happy. When an important member of the wedding party is dispatched to the great wedding reception in the sky, Kat's future plans are placed on ice unless she can solve the mystery. Kat's forced to share the investigation with a hunky private investigator who's been mysteriously spying on her for weeks. Together, they have to sort through suspects including a scheming gossip columnist, a controlling executive assistant who spends his time obsessed with cosmetics chemistry and a hot blooded Latina chef. When they get too close to the truth, bad things start to happen. Sometimes, asking her Native American heavenly namesake for help is all Kat can do in this fast-paced book that combines romance and mystery. Join Kat to see if she'll ever get the chance to burn down her very own restaurant kitchen. Or if her next call to 9-1-1 will be to save her own life. "Hilarious! I read a lot of who-dun-its, but this one had me guessing all the way to the end!" (Amazon reviewer) NAMED "BEST OF" BY MULTIPLE ROMANCE BLOGS

Papyrus finds show that it was widely read until late antiquity and perhaps well into the Byzantine period. Eventually the work was lost, but thanks to many quotations by ancient authors and substantial papyrus finds a considerable part of it has now been recovered. The aim of the present volumes is to make the Aetia newly accessible to readers. Volume 1 (9780198144915) comprises an introduction dealing with matters such as the work's composition, contents, date, literary aspects, and its function in the cultural and historical context of third-century BC Alexandria, and a text of all the fragments of the Aetia with a translation and critical apparatus; while Volume 2 (9780198144922) presents a detailed commentary, including introductions to the separate aetiological stories.- Now fully updated, this annual yearbook includes every review Ebert had written from January 2007 to July 2009. It also includes interviews, essays, tributes, and all-new questions and answers from his Questions for the Movie Answer Man columns. Michele White considers how women are constructed, produce themselves as subjects, form vital production cultures on sites like Etsy, and deploy technological processes to reshape their identities and digital characteristics. She studies the means through which women market traditional female roles, are viewed, and produce and restructure their gendered, raced, eroticized, and sexual identities. Incorporating a range of examples across numerous forms of media—including trash the dress wedding photography, Internet how-to instructions about zombie walk brides, nail polish blogging, DIY crafting, and reborn doll production—Producing Women elucidates women's production cultures online, and the ways that individuals can critically study and engage with these practices. The Song of Songs is a theological work in its literal sense. For centuries this was recognized by the overwhelming majority of its readers. Yet, in the argument of this study the Song is neither an allegory of divine-human love, nor a mere human love song. Rather, by adopting a symbolic language, the Song is able to express the realities of divine love in and through human love, thereby giving full expression to both dimensions. In order to substantiate and advance this view, this study introduces a new hermeneutical refinement into the discussion, giving careful consideration to different orders of textual meaning (i.e. "metaphor", "allegory", and "symbol") in order to better understand what precisely we mean in speaking of the sensus literalis. The success of this symbolic approach owes much to its diachronic method. In particular, it is able to assimilate a redactional analysis of the Song's composition in which the personage of Solomon plays a remarkable and increasingly significant role (i.e. "Solomonic Redaction"). This prominence of Israel's legendary king is plotted within an identifiable ancient Near Eastern royal ideology marked by an unmistakably religious orientation. This ideology in turn opens the door to a phenomenology of the kingship symbol by which certain aporias are resolved and the poetics of the text recover their full force.
