Explores the nature of corporate personhood and how it affects the rights, powers, and influence of corporations in society. Includes extra sessions. This Technical Assistance Report discusses the

findings and recommendations made by the IMF mission regarding monetary and foreign exchange operations in Uganda, Bank of Uganda (BOU) recapitalization, and Bank of Uganda Act revision. The presence of sizable precautionary and involuntary reserves and excessive short-end volatility has weakened the transmission mechanism in Uganda. The key challenge remains to enhance monetary and fiscal policy coordination and to ensure that institutional and operational arrangements are robust and conducive to efficient monetary

operations framework. The BOU should raise the effectiveness of the monetary and foreign exchange operations framework. To foster further market development there is need to anchor short-term interest rates by using various fine-tuning instruments to ensure improved operational efficiency and strengthen transmission of policy signals across the curve. International authors describe class action procedure in this concise, comparative, and empirical perspective on aggregate litigation. Volumes include: Statutory record. Packed with case studies and ripped-from-the-headlines examples, Non-Profit Organizations: Real Issues for Public Administrators introduces critical issues commonly encountered when managing non-profit organizations and gives you the tools to develop policies and procedures to meet the challenges that

arise when these issues occur. The authors use This book examines the Indian mandate for Corporate Social Responsibility (CSR) and its implementations in various individual organizations. Although the mandate is applicable only to certain large and stable companies, many believe that India is poised to become the birthplace of social, economic and environmental transformation, given the immense size of the Indian population and its challenging socio-economic index. The book explores the various facets of CSR investigation and places special emphasis on the

Schedule VII of the Indian Companies Act of 2013, which defines specific areas of intervention for these companies. In addition, it provides a wealth of first-hand case studies that exemplify the ongoing developments and the fundamental challenges and opportunities of mandated CSR. Technology Entrepreneurship: Taking Innovation to the Marketplace, Third Edition provides a practical toolkit for potential entrepreneurs with technology backgrounds that will help them navigate complex issues such as raising capital, IP protection, product development, and more. The book's

structure follows the entrepreneurial process in a step-by-step way, defining key terms and helping readers without business qualifications engage with the activities addressed. In addition, it covers a discussion of current trends and developments relevant for tomorrow's entrepreneurs. In-depth information on the practicalities of technology entrepreneurship are combined with experience from academics to provide a unique resource on how to approach this crucial subject. Presents an intense focus on product design and development, with customers and

markets in mind. Includes extensive discussions on intellectual property development, management and protection. Provides potent insights into marketing and selling technology products to the global marketplace. Covers techniques for forecasting financials, raising funds, establishing venture valuation, and exit strategies. First published in 1974. Routledge is an imprint of Taylor & Francis, an informa company. Graham Balfour, in a lecture delivered in February 1921, first drew attention to the growing importance of the elementary school manager in the system of educational

administration during the period with which this study is concerned: "Local administrators of education, other than trustees a hundred years ago, there were none. Indeed it is very curious how imperceptibly that important figure of the latter half of the nineteenth century, the School Manager, steals into existence. 1. Final Accounts of Companies, 2. Managerial Remuneration, 3. Disposal of Profits, 4. Profit or Loss Prior to and After Incorporation, 5. Valuation of Goodwill, 6. Valuation of Shares, 7.
