Sewing can be as easy as 1-2-3 with this helpful building-block approach—includes thirty-three projects! In this creative teaching book, craft blogger Ellen Lockett Baker offers a wholly unique approach to sewing: She presents projects in groups of three, each building on the techniques used in the project before. Baker shows, for example, how to sew a glasses case, then build on those skills to create a zippered pouch, and from there, make a more advanced cosmetics bag. There are thirty-three delightful projects in all, ranging from clothing to decor and accessories. This very special ebook includes easy-to-follow instructions, how-to illustrations, and instructions for how to print the patterns, making it an essential resource for beginning and intermediate sewers alike.
