"Right Use of Power" is a dynamic, inspiring, and relational

approach to ethical awareness. The text offers sound guidance for an emerging ethic that brings compassion to power. • Includes practices for cleansing the blood of toxins, relieving pain, using sexual energy for healing, and other tools for the treatment and prevention of disease • Explains the unique healing potential of chi kung color therapy and how to harness universal and earthly elemental energies in healing • By Mantak Chia, coauthor of The Multi-Orgasmic Man Taoists believe in an underlying unity that permeates the universe and intimately binds all things. Taoist Cosmic Healing presents chi kung techniques that develop and strengthen awareness of the forces and energetic principles of the universe and the earthly six directions, allowing the reader to draw upon these forces for healing themselves and others. Taoist Cosmic Healing teaches the reader how to use the major acupuncture points in the hands to activate, open, and balance the chi meridians throughout the body. This practice allows the student to detoxify and rejuvenate the major organ systems and, when combined with specific body positions and the chi kung stance, to heal others. Through Mantak Chia's profound understanding of the ancient esoteric science of guiding chi energy, students can learn how to harness the astral energies of specific stars. Master Chia also explains the important role that compassion and positive energy play in enhancing one's ability to heal. He presents for the first time in the West the details of chi kung color therapy and how it can activate and strengthen the immune system. LET OP!: Dit e-book is NIET geschikt voor zwart-wit e-readers The Power of the Heart brengt de kracht, de wijsheid, de liefde en de intelligentie van ons hart op een volkomen vernieuwende wijze onder de aandacht. Wat hebben Paulo Coelho, Isabel Allende, Eckhart Tolle, Deepak Chopra en Maya Angelou met elkaar gemeen? Ze onderkennen de noodzaak van het luisteren naar je hart. Auteur Baptist de Pape sprak met hen en nog vele anderen. Hij creëerde een boek met een verrassende wetenschappelijke en spirituele onderbouwing dat

aan het begin staat van een onstuitbare internationale beweging: laat je hart je gids zijn. Vind je ware potentie en je geluk, leef dichterbij je intuïtie. Coelho, Allende, Tolle, Chopra en Angelou inspireren, De Pape overtuigt. An in-depth and up-close look at the ONE energy principle you need to know to take care of your health simply and naturally. What is the one thing you should know to have a lifetime of abundant health? Just as the sun rises in the east and sets in the west due to Earth's rotation, there are natural laws your body follows. One law, discerned by traditional Asian medicine, can decide the health of your body, mind, and spirit. Water Up Fire Down by New York Times bestselling author Ilchi Lee reveals this golden rule of health. Know it, feel it, and use it in your daily life to: -- Manage your stress -- Balance your emotions -- Maintain your focus -- See situations clearly -- Maximize your immunity -- Have abundant energy and passion -- Sleep soundly How can one rule affect all this? Because it is an essential principle of energy circulation in the body. No matter what physical or mental issues you may have, if you apply the Water Up, Fire Down energy principle in your daily life, you can make progress toward clearing them up. Ilchi Lee gives you proven mind-body exercises and lifestyle recommendations so you can apply this energy principle to your body and your life. These simple yet effective exercises are shown with full-color illustrations so you can easily do them on your own right away. An inspiring chronicle of life-changing encounters, personal transformation and a vision of love that transcends the everyday definition, to embrace universal kindness and compassion, based on the knowledge that all beings are one family and that our capacity to love is one of the world's most hidden yet powerful resources. The book is groundbreaking in its affirmation of love as a pathway for people of widely differing viewpoints. Unexpectedly changed by love, Fran Grace went on a journey to learn more about its power to transform and heal. She interviewed renowned spiritual teachers, scientists, activists and

artists, all chosen with the help of her spiritual teacher. Each encounter helped her overcome obstacles on her path. The book gives readers a direct encounter with teachers of love in the world today. From diverse faiths and fields of work, they reveal the power of love to be the next frontier of global consciousness, suggesting many ways to uncover it and live it. Includes photographs and unique contributions from: Dr. David R. and Susan Hawkins - H. H. the 17th Karmapa - Father Pavlos of Sinai - Llewellyn and Anat Vaughan-Lee - Mona Polacca and The International Council of the 13 Indigenous Grandmothers - Betty J. Eadie - Belvie Rooks & Dedan Gills - Dr. William and Jean Tiller - Jetsunma Tenzin Palmo - Huston Smith - Mother Teresa and the Missionaries of Charity - Sadhguru Jaggi Vasudev - Dr. Viktor Frankl (with grandson Alexander Vesely and Frankl family representative Mary Cimiluca) - Swami Chidatmananda. Fran Grace's personal narrative is pulsed by her encounters with the pioneering teachers of love listed above, each of whom has a chapter that includes a brief biography, excerpts from their dialogue with the author, and her sense of how the encounter helped her to overcome the many obstacles to love. The book takes readers on a journey into Buddhist and Hindu monasteries in India, an Indigenous Grandmothers' fire circle in the Black Hills, Mother Teresa's Homes for the Poor in Rome, Calcutta, and Tijuana, laboratory of a Stanford physicist, home of a Sufi sheikh, largest meditation hall in N. America, and a college classroom in California. She interviews those familiar with the stark Sinai desert, slave dungeons in Ghana, and near-death experiences. In the end, love is found to animate every moment of ordinary life. Inspiring story of personal transformation. Compelling account of how the world is transformed through everyday acts of kindness. A rich resource of teachings on love, healing and compassion from a wide range of spiritual traditions, with a rare inside view of some of the world's most respected teachers. Includes index, biographical profiles, bibliography, endnotes. Discover your soul's

purpose by following the shamanic path of the heart • Explains how to engage your heart's navigational guidance system to access your spiritual core directly and find your life purpose and spiritual identity • Includes shamanic practices to meet your power animals, consult with spirit guides, embark on journeys in the spirit world, slay your inner dragons of self-sabotage and fear, clear emotional wounding patterns, and find your personal spirit song • Offers case studies and troubleshooting help for common pitfalls and obstacles on the heart-centered shamanic path • Includes access to 4 guided audio journeys narrated by the author

Each of us has a vision for our lives, our soul's purpose awaiting release in our hearts. The most important task we have is to learn what that purpose is and then bring it into the world. In our world of endless busyness and "hurry sickness," many people are experiencing soul loss as they live out dreams of endless motion, empty tasks, anxiety, and negative thoughts. But you can change your world and discover the shamanic heart path that activates your wildness, your power, and your soul's purpose. Blending earth-honoring shamanic practices and modern depth psychology, Jeff Nixa explains how to practice the lost art of heart navigation to help you find your life purpose and spiritual identity, conquer the fear, doubt and criticism that stand in the way of that vision, and become a shamanic shapeshifter of your life. Providing heart-opening exercises to slow your mental racing and detect your heart's navigational guidance system, he shows how to awaken your wild and free heart, access your spiritual core directly, deactivate trauma-based emotional patterns, retrieve vital energy, work with your dreams, and become an artist of the soul. You will learn how to meet your power animals and consult with spirit guides, embark on shamanic journeys in the spirit world for help and information, slay your inner dragons of self-sabotage, find your personal spirit song, and create the joyful life that your heart is attuned to seek out. Offering case studies and troubleshooting help for common pitfalls and obstacles on the

heart-centered path, this shamanic manual provides hands-on practices and ceremonies--including access to 4 guided audio journeys narrated by the author--as well as wisdom from the author's own journey and the powerful teachers he has worked with, including Sandra Ingerman, Mikkal, spiritual elders of the Oglala Lakota people, and plant-spirit medicine shamans of the Amazon jungle. Allowing you to understand the precise contours of your authentic self and your visionary heart, this book offers a map to a vibrant new life aligned with your soul and deepest calling. Are you shy and self-conscious? Do you feel lonely and push others away, although you don't want to? Are you hesitant to commit and lack trust? Do you face problems letting go of the past? Is love lacking in your life? Do you wish to cultivate unconditional love and ascend spiritually towards divine unity? If so, you should strive to balance your Heart Chakra... Our bodies, minds, emotions, thoughts, actions, and everything around us are all formed of energy, as 'multi-disciplinary genius' and inventor Nikola Tesla once said: "If you want to comprehend the cosmos, consider it in terms of energy, frequency, and vibration." The chakras are basically energy centers scattered throughout the subtle body ('subtle' refers to something we can't see but can clearly feel energetically). Consider the chakras to be spinning energy wheels that rotate simultaneously to generate a combination of energy and life force. There are seven chakras, each positioned in different parts of the body and representing a different aspect of our energy body. When the chakras are balanced and spinning effortlessly, life is beautiful. We experience a sense of fullness in all aspects—emotional, mental, and physical; mind, body, and soul. Our relationships, conversations, actions, goals, and interests just flow. Chakra balancing is a diverse and interesting practice. It doesn't have to take hours, and there are several therapies and do-it-yourself techniques to choose from. This topic, however, has a wealth of knowledge and depth—depth that cannot be mastered at once.

What can be done is to deal with each chakra individually, learning what it symbolizes, how it affects the body, mind, and soul, and how to heal it. That's the reason behind this "Chakra Guidebook" series. Each book in this series focuses on a specific chakra and provides different strategies for balancing and healing it. Each book is a stand-alone guide to a particular chakra. You will discover all there is to know about that specific chakra. This part is solely dedicated to the Heart Chakra. The Heart Chakra, or Anahata, is the fourth of your seven chakras and is located in the center of your chest. The Sanskrit word means "Unstruck" or "Unbeaten," and refers to the Vedic concept of unstruck sound, or the sound of the divine realm. People with a balanced Heart Chakra may see beyond a person's flaws to appreciate the beauty in their soul. As a result, they find it simpler to accept and forgive others and don't hold grudges. It is unique because it is the fourth of the seven chakras, making it the system's exact midway point and the unifier of the physical and spiritual chakras. The Heart Chakra works as a bridge between worldly matters and spiritual aspirations by linking the lower three chakras—the Root, Sacral, and Solar Plexus—with the top three chakras—the Throat, Third Eye, and Crown. This deepens your affinities for love, tenderness, and endearment. This chakra represents your ability to love without discrimination. In this book, you'll discover:

- A Basic Introduction to Chakras
- Common Chakras Myths

This book is packed with all the information, tips, and techniques that will make sure that you can effectively heal, balance, and open your Heart Chakra. Now don't bother, claim your copy right away!! The secret to a good life is

not what you think. Most of us have been raised to believe that we can solve any problem if we think about it hard enough. We spend years honing our intellect, knowing that our brains are our best line of defense against whatever roadblocks life throws us. But each and every one of us has a secret weapon to call upon when brainpower isn't enough, and that is Heart. Amy Bloch discovered the power of heart quite by accident. An accomplished psychiatrist, fully in control of her professional and family life, Amy was dealt what she thought was a devastating, insurmountable set-back when her daughter Emily was born with a severe brain malformation. Amy tried desperately to "fix" Emily, and exhausted herself in her efforts to deal with the "problem" using her intellect, going at it brain-first—the default way we tend to approach challenges in our society. Emily, on the other hand, lives completely heart-first: she simply doesn't have the capabilities to approach life brain-first. Yet to Amy's initial surprise—and ultimately, to her great admiration—Emily is remarkably happy and successful. The Power of Heart is the distillation of what Emily taught Amy—lessons that are applicable to anyone's life. Learning to be Emily's mom and observing how Emily approaches life prompted a radical change in Amy's life. It also transformed her work with patients in her professional practice, where she witnessed over and over again how getting out of brain and into heart made life deeper and richer, less stressful, and more meaningful. While the brain is amazing, powerful, and useful, it does come with limitations. There's some stuff the brain just doesn't know, which is where heart comes in. Tapping into heart helps your brain perform better, and makes you stronger and smarter than you will ever be trusting only your brain. Heart will allow you to live with uncertainty; find strength, resilience, courage, and persistence in tough times; cast off self-criticism and doubt, and have a lot more confidence and fun. The Power of Heart is for readers of all ages and walks of life who are ready to move beyond the brain-first strategy, and embrace heart

as well. Hope for American democracy in an era of deep divisions In *Healing the Heart of Democracy*, Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous and practical work—intensely personal as well as political—is not about them, "those people" in Washington D.C., or in our state capitals, on whom we blame our political problems. It's about us, "We the People," and what we can do in everyday settings like families, neighborhoods, classrooms, congregations and workplaces to resist divide-and-conquer politics and restore a government "of the people, by the people, for the people." In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five "habits of the heart" that can help us restore democracy's foundations as we nurture them in ourselves and each other: An understanding that we are all in this together An appreciation of the value of "otherness" An ability to hold tension in life-giving ways A sense of personal voice and agency A capacity to create community

Healing the Heart of Democracy is an eloquent and empowering call for "We the People" to reclaim our democracy. The online journal *Democracy & Education* called it "one of the most important books of the early 21st Century." And *Publishers Weekly*, in a Starred Review, said "This beautifully written book deserves a wide audience that will benefit from discussing it." To begin with I am a testimony for I was born blind; Suffered of issue of blood in 1987. I was given six (6) months in 1997 by my physical treating physician to live but God is so marvelous. In 2001, was knee problem, amputation was suggested if no improvement. As blessed cured; I survived being scammed and duped in 2008 by a dubious conned artist. I was also being told 2010 by the Hematologist, "Caroline, I think you have cancer" and that power of love of God changed that too. I thank God, this for my healing; I am inspired to be highly motivated to help others to know His good works and press on! Through faith and that power God is He is wonderworking spiritual power and the

very real and true when you call on His name is only way to touch Him and receive healing. Drawing from the fountain of her own experiences—both personal and professional—author Caroline Arit Thompson offers a narrative that advances the best instincts of common good embedded in all of us. In *Greatness is in the Heart*, she shares how life works for those who believe in a loving God and appreciate him as his children. A story about God’s miracles, love, and goodness that has transformed Thompson’s life, it enjoins us to be thankful for everyday blessings, to be enveloped by the unblemished and ever-glowing color of love, to be optimistic, desirous, without being conspicuous, to give the best in us to others, to inspire without being judgmental and condemning, and to motivate without being condescending. Sharing how tragedies were turned to triumphs, *Greatness is in the Heart* tells how Thompson’s faith in God assisted her throughout her journey, how God has worked with her, and how she overcame challenges through his grace. This extensively revised second edition traces the development of the basic concepts in cardiovascular physiology in light of the accumulated experimental and clinical evidence. It considers the early embryonic circulation, where blood circulation suggests the existence of a motive force, tightly coupled to the metabolic demands of the tissues. It proposes that rather than being an organ of propulsion, the heart, serves as an organ of control, generating pressure by rhythmically impeding blood flow. New and expanded chapters cover the arterial pulse, circulation in the upright posture, microcirculation and functional heart morphology. *Heart and Circulation* offers a new perspective for deeper understanding of the human cardiovascular system. It is therefore a thought-provoking resource for cardiologists, cardiac surgeons and trainees interested in models of human circulation. Rather than attempting to engage the reader in more mental exercises, the wisdom and inspiration in this daily companion book is designed to uncover something far more powerful.

Through personal stories infused with honest, bold, and sometimes humorous reflections, the author invites us to awaken and energize our greatest inner resource—the power of the inner heart. Not only does he draw upon his personal experience, practice, research, and vulnerabilities in crafting these daily pieces of wisdom, he also draws from the well of renowned spiritual teachers and ageless wisdom traditions. Day by day, each writing stands on its own as a love offering created to inspire as well as support the dismantling of our personal fears. When included as part of daily spiritual practice, Heart Power is likely to awaken the sleeping giants of tangible courage, spiritual healing, creative energy, and ongoing loving, compassionate connection with ourselves and our companions. Simple, but potent, heart-centered daily practices are provided to help with this personal and spiritual restoration. In this one-of-a-kind daybook, the power and wisdom of the inner heart comes of age. Is there such a thing as caring too much? Yes, say the authors of this breakthrough book on emotional management and heart intelligence. Readers learn concrete, practical, and quick personal tools for eliminating debilitating emotional habits, resolving emotional imbalances, and changing lives once and for all. The Ancient Secret to Longevity, Vitality, and Life Transformation In 2001 Marko Pogačnik and Ana Pogačnik set out on a pilgrimage with a group of people interested in geomancy and looking for ways to achieve lasting peace. They traveled along the archetypal path that leads from the Pyramids across the Sinai Peninsula to Jerusalem. Along the way, they visited the holy sites of Judaism, Christianity, and Islam—the three world religions descended from Abraham. By meditating and tuning in to the vital energies of those ancient sites, they were able to decipher the emotional and spiritual dimensions of each location and put into place impulses for healing and regeneration. How Wide the Heart provides an overview of the planetary role and the true identity of the Holy Land. The authors affirm the

capacity of the landscape of Israel and Palestine to communicate messages that have, so often in the past, been turning points for human history. The second part of the book contains messages that Ana received from the deep source of love and wisdom that Westerners generally call "Christ energy." Those messages call on us to look more closely at our individual lives and encourage us to follow our chosen path with increased consciousness and equanimity. A parallel level of these communications describes the process that humanity has experienced over the course of history and reveals important points in that process--moments that determined our common path together and provide impulses for our whole future evolution. The central purpose of the book is to help reestablish a bridge to the landscape. The authors describe ways that life energy is anchored in a specific energetic structure in the landscape surrounding the Sea of Galilee, revealing the important role that this area plays and reflects. This is a timely book for an understanding of the deeper importance of the Holy Land and the events and people of the region. The media's bias toward stories of conflict, violence, and division is bad for your health. Hal Urban shows how to find the positive and uplifting all around us. What we eat greatly impacts our physical health. Hal Urban says that we can nourish our minds just like we nourish our bodies by choosing what information we consume. Urban explains why, due to neuroscience as much as economics, the media—left, right, and center—focuses mostly on negative stories. And he describes the psychological toll this takes on our mental health. But he's not suggesting we ignore these stories, just that we vary our diets. We can find countless signs of progress and acts of kindness all around the world if we know where to look. And there are positive aspects in our own lives—family, friends, beauty, generosity, and progress—that we take for granted. Offering techniques he road tested as a teacher for thirty-six years, Urban helps readers become a conscious consumer of information, balancing sources like food groups. If,

as the late Zig Ziglar put it, "you are what you are . . . because of what has gone into your mind," then it's in our best interest to choose positive, healthy, and uplifting input whenever possible. Urban shows how to do this with open eyes and an open heart. Few people experience what Caara Chantrel has experienced in her life and live to tell about it. Yet she's not only lived to tell about it, but has also become an example of how one can overcome tremendous, painful, unspeakable loss and thrive in its aftermath. Echoes of the Heart is a poignant story of healing after such an unspeakable loss that has the ability to inspire many to carry on in spite of life's challenges. The subjects covered in this book include:-- Loss of a loved one due to suicide-- The enriching experience of organ donation-- Descending into homelessness due to trauma-- Post traumatic stress disorder-- Cranial Sacral therapy and its use in healing trauma-- Moving on with life against all odds-- Guns and their ease of availability-- The United States Bear Force-- The echoes of one heart that still carries on-- and even more... Echoes of the Heart is more than a story of loss and healing, but instead provides the reader with a colorful symphony of inspiration, experience, strength, and hope. Outlines a program that fuses Eastern and Western medicine and philosophies to counsel readers on how to bolster health and longevity while promoting personal success, in a guide that explains the importance of having a healthy soul in order to enable physical well-being. 125,000 first printing. Complete instructions for working with meditation and silence, breathing and visualization, healing gemstones and color, laying crystals and gemstones on the heart, solar plexus, and throat chakras to clear away blockages. Why does a man who is well into his retirement take up a new career as a massage therapist? What can massage offer to society? How does one go about learning it? Sam Wong deals with these and other intriguing questions in this book. He provides an authentic account of learning and blending Western massage and Chinese tui na, highlights the role of

inspiring teachers in helping him to become a massage therapist, and documents the effectiveness of massage as an alternative treatment for fibromyalgia and other chronic pains. Sam's insights on tui na in traditional Chinese medicine are fascinating and unique. Bohme's mentor was Abraham Behem who corresponded with Valentin Weigel. Bohme joined the "Conventicle of God's Real Servants" - a parochial study group organized by Martin Moller. Bohme had a number of mystical experiences throughout his youth, culminating in a vision in 1600 as one day he focused his attention onto the exquisite beauty of a beam of sunlight reflected in a pewter dish. He believed this vision revealed to him the spiritual structure of the world, as well as the relationship between God and man, and good and evil. This book is exclusively written on the foundation of sacred books called Bible and on the experience of many good and great people, for man who was created for hard work, accordingly to its given gift calls talent. (1Co. 12:4) Which is precisely given accordingly to everybodys abilities. (1Co. 12:7). To do good work and to become son of living God (Jn. 15:15) and eventually on the end to become god, (Ps. 82:6) when come time to give its record and hear; well done my faithful son, enter into my rest. In this book it is not my intention to teach anyone but only to incite everyone to think about, to speak about and to recommend in order improving life for entire humanity independent, of race, color, ethnicity, languages or religion for everyone to become in agreement according to its given gift, which is powerful Spirit of love, what we call talent. It is not my idea that proves that, but myriad of humans as modern prophets that by their work witnessed for real life directed by the powerful Spirit of love call talent is only one way only one direction toward goodness for entire humanity, which pleases only One whom we call Great Creator. We may call it as universal secular religion or secular ideology as you wish which is universal and founded on free gift, given talent and responsibility while divine religion is religion of

individuals gathered in the congregation founded on faith and obedience, while both are blessed with the power of love. It is true and is easy to understand that life that is directed by the given talent as a life purpose for the love toward One who sent you to do it and for devoted love for entire humanity as a fulfillment of first law to love your Great Creator and not only your neighbor but entire humanity to be like sun that shine from above for all and rain that comes for above for all as a HEAVENLY WISDOM An end I would like to hear from you about your opinion and suggestion in order to further improve that given program suggested from many and for goodness for entire humanity. Dr. Dragan P. Bogunovic MD FAAFP. Transforming Depression argues that the prevalence of depression today results from the frenetic pace of modern life. A constant sense of being overwhelmed, fatigued, and stretched to the limit leads us to feelings of hopelessness and a lack of interest in normally pleasurable activities-the principal signs of depression. By using the HeartMath(r) techniques, readers will be able to tap into new reserves of energy and creativity and will find new ways to connect with the people in their lives. As a result, feelings of depression will lessen and dramatic change will take place for better health in mind and body. This is the first volume of essays devoted to Aristotelian formal causation and its relevance for contemporary metaphysics and philosophy of science. The essays trace the historical development of formal causation and demonstrate its relevance for contemporary issues, such as causation, explanation, laws of nature, functions, essence, modality, and metaphysical grounding. The introduction to the volume covers the history of theories of formal causation and points out why we need a theory of formal causation in contemporary philosophy. Part I is concerned with scholastic approaches to formal causation, while Part II presents four contemporary approaches to formal causation. The three chapters in Part III explore various notions of dependence and their

relevance to formal causation. Part IV, finally, discusses formal causation in biology and cognitive sciences. Neo-Aristotelian Perspectives on Formal Causation will be of interest to advanced graduate students and researchers working on contemporary Aristotelian approaches to metaphysics and philosophy of science. This volume includes contributions by José Tomás Alvarado, Christopher J. Austin, Giacomo Giannini, Jani Hakkarainen, Ludger Jansen, Markku Keinänen, Gyula Klima, James G. Lennox, Stephen Mumford, David S. Oderberg, Michele Paolini Paoletti, Sandeep Prasada, Petter Sandstad, Wolfgang Sattler, Benjamin Schnieder, Matthew Tugby, and Jonas Werner. This historic collection of all of Sri Chinmoy's university lectures in eBook form has been released to commemorate the 50th anniversary of Sri Chinmoy's arrival in the West on 13 April 1964. Sri Chinmoy's very first university lecture was given at the University of the West Indies in Kingston, Jamaica, on 10 January 1968. It was entitled "Spirituality: What It Is and What It Is Not." This inaugurated a whole era of talks which saw Sri Chinmoy travelling ceaselessly across the length and breadth of America and around the world to address the youth of each country. He would spend countless hours travelling by car or train to reach far-flung universities, sometimes visiting two or even three in the course of a single day. After many of these sublimely inspiring discourses, he would answer questions from the audience or spend time instructing sincere seekers in the age-old practices of concentration, meditation and contemplation. By the mid-seventies, Sri Chinmoy had spoken volumes and he began to include longer and longer periods of silent meditation in his lectures. Then, in 1984, in a significant departure from the spoken word, he introduced the theme of Peace Concerts. At these concerts, Sri Chinmoy would play his own soulful and devotional compositions on a variety of instruments of both Eastern and Western origin, meditating between each instrument and sometimes giving aphorisms on peace and related themes. In

2003 yet another form of Sri Chinmoy's self-offering unfolded when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead. This remarkable endeavour was part of his "Lifting Up the World With a Oneness-Heart" award programme. Thus, through words, silence, music and a combination of physical and spiritual upliftment, Sri Chinmoy has shared his profound spiritual message with the aspiring Truth- seekers and God-lovers of the university-world for four decades. Sri Chinmoy's words are mantras for the modern age, reverberating in our hearts with their timeless and truly life-transforming wisdom. In his exquisite prose, which is suffused with the very breath and cadence of poetry, Sri Chinmoy has revealed all the many stages of the seeker's journey towards the Golden Shores of the ever-transcending Beyond. For generations to come these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga—union with God—in this life. An invitation to discover and develop your heart powers and tap into heart energy • Features accessible yet profound wisdom about the power of the heart and approaches for tapping into heart energy • Reveals that the heart, often perceived as our most vulnerable and fragile place, is in fact the source of our greatest potential • Supports individual heart-work by offering simple and practical exercises, meditations, and visualizations proven effective through many years of practice

The heart is more often associated with vulnerability than hidden powers. We generally feel the need to protect our heart, building high walls after experiences of emotional pain and hurt. This response is unconscious, and since the modern world teaches us to rely on the brain to guide our life and actions, many of us find it hard to connect to the power and skills within our own hearts. Addressing the fears and feelings of insecurity that can arise and prevent us from opening up to the treasures we hold within, Shai

Tubali reveals that the heart, often perceived as our most vulnerable and fragile place, is in fact the source of our greatest potential. Providing practical advice, exercises, meditations, and visualizations proven through his own heart-work practice, he shows how to tap into the heart's energy field and easily activate its seven secret powers: wisdom, vulnerability, forgiveness, ability to love, infinite energy, transformation, and self-acceptance. He explains how our modern education system develops our mind perception only, focusing on the goal of being successful and urging us constantly to be faster and better. Not only does this not bring happiness and fulfilment, but it may even cause stress and illness. Showing how to transition from mind to heart perception, Tubali helps us understand more about our heart's skills and how to implement its powers by healing inner energetic and emotional blockages. Calling for a change from one-sided mind perception and behavior, Tubali urges us to get in touch with our core and surrender completely to our heart energy, leaving all misconceptions behind and tearing down protective walls to discover our full potential. Unlocking the seven heart powers will lead to a deep sense of peace, balance, and fulfilment and enable you to approach life from a place of trust and love. 'Human evolution has now arrived at a decisive crossroads. The future of humankind on Earth depends on whether people recognize their determining role in the evolution of the consciousness of Earth.' - Marko Pogačnik Humanity today faces a unique task: to overcome the thousand-year-old division between heaven and earth, spirit and matter. This, says Marko Pogačnik, is our present-day challenge. But we have an important ally in this work in the being of Jesus, also known as Christ, whose teachings are intended to help us at this critical time of human development. Historically, however, Jesus' words of wisdom were harnessed to the construction of an earthly religion, and much of their deeper meaning was lost in the process. Christ Power and Earth Wisdom is the story of the author's discovery of

a 'Fifth Gospel', woven invisibly into the four canonical Gospels. It teaches humanity how to live positively in the third millennium. Bringing together knowledge of elemental beings, Earth science and Christ, the author has translated over one hundred of Jesus' sayings into a language that the modern mind can understand. He identifies blockages in the Biblical gospels that have prevented the Spirit of Christ from manifesting in the past era. But the time is now ripe for understanding the multilayered reality of these teachings. Based on methods of investigation and perception that Pogačnik has developed over many decades of work in healing the various dimensions of Earth's landscape and nature, he deciphers the hidden, holistic messages in Christ's teachings, dismantling the obstacles that have arisen through outdated interpretations. The text is complemented with Pogacnik's energetically-charged drawings, forming a feeling counterpart to the thought flow of the book. A new Postscript offers an important update relating to methods of gaining a broader, spiritual perception of reality in the present.

Law of attraction's secret formula: How to draw power within us to build a long-lasting love life Make love life taste. Create good feelings, fun, happiness, and

create happiness for the family using nature's law. You can prove this rule yourself. This rule has now endorsed the world's most renowned scientific outcome. By a lifetime of being so small that the author had never had a teenage life and has never had love in adolescence before. When the author was 33 years old, the author began to be in love, the first love was love with a young Thai man, but the author's love was unsuccessful. It is not as desired. First love is an experience in the life of an author who fails, breaks up because of different opinions and habits, and the power within the mind's feelings does not tune into each other. The differences in views make me unhappy. There are always problems in my love. The author's first love was to be caused not by love but by fun, and since I did not choose to create a love for ourselves, I did not choose to man match our personality. So love is Unable to move on, must stop. The authors began to study the mind's energy, also known as psychic powers, related to human life. It's a psychic within us, and it has tremendous strength to create our own lives. The authors began to study the power of the mind from many teachers and meditation, We are practicing to define ourselves to live with what felt good and happy so that inside we felt calm. The Law of Attraction in science is famous worldwide now, which is the law of truth. During the author's study of cosmic energy rules since 2016, the authors came across many wonders to themselves. The authors have applied a secret cosmic formula to life and can solve the crisis of life problems. The author started pulling money in—every month. Within a year, I successfully ran out of more than 2 million baht of debt due to the law of energy attracted. The crisis's passage has led me to believe 100% of it is due to the rules' power, the attraction of our internal psychic abilities to help us get out of the crisis. At heart, you're going to get through the crisis. Just understand these three rules: the law of nature—the Law of Life and the Law of the Universe. Your life can be free from problems and change lives. The law of attraction is with humans and all things in this world that we call

"the law of cause and effect." Our lives are the ones that attract things into our own lives. All the things we get are born out of our minds, attracting them all into our lives. Suppose we have problems or can't fix them. You're just conscious. We must first solve it from our inner psyche, and you will be the lucky one all the time. The authors studied the law of attraction rules. The authors found a second love with a foreign man. The author finds love a second time by the law of attraction, which the author creates deliberately creates a second love to me. The author finds love with a foreign American (USA) man through online love media, helping connect media to meet, bringing us together. If you believe and believe in this magical energy, it will appeal to the right lover's true love to your desires into your life.
