Those Who Must Give an Account Jan 08 2022  
"Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account." -- Hebrews 13:17a There is a surprising, even dangerous, gap in the literature on the church in the areas of church membership and church discipline. The former sets the boundaries of a leader's responsibility, and discipline is the last option of a church when members will no longer live in fellowship with their brothers and sisters in the Lord and accept the guidance of their leaders. And so this book is written first to church leaders, offering guidance on how they should receive and minister to those for whom they will have to give an account according to Scripture. But under the view of the church upheld in these chapters, the receiving of members and discipline of members are both acts of the greater church body, and thus all members of the church share in the accountability for each other. Consequently, *Those Who Must Give an Account* will be of interest to all believers. Among this volume's nine notable contributors are Mark E. Dever

("The Practical Issues of Church Membership"), Thomas R. Schreiner ("The Biblical Basis for Church Discipline"), and Bruce Riley Ashford and Danny Akin ("The Church as God's Missional People").

*Gospel Theology* Nov 06 2021 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians (inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and

those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.

**Authority** Aug 15 2022 Congregational authority is less about the meetings and more about the mission. Congregationalism has a bad rap for well-known reasons: inefficient meetings, upstart members, browbeaten ministers. But biblical congregationalism isn't so much about the meetings. It's about empowering the whole church to promote and protect the gospel. Pastors lead and equip. Members get to work strengthening one another and pursuing Christ's mission in the world.

*Marking the Church* Feb 09 2022 More than one person has joked over the years that Evangelical believers do not have an ecclesiology. In one sense, that is absurd: Evangelical churches (especially if you include Pentecostals in that group) are some of the fastest-growing, most vibrant churches in the world. Evangelicals are proclaiming the gospel, praising the Lord, reading the Bible, and loving

the poor. But there is a case to be made that the Evangelical devotion to the mission of the church has left Evangelicals with little time to reflect on the church itself. In this collection of essays, first given at annual meetings of the Evangelical Theological Society, the authors take time to reflect on the nature of the church in an Evangelical context, asking after the way in which it is one, holy, catholic, and apostolic. *Baptist Foundations* Apr 11 2022 Ours is an anti-polity age, perhaps more than any other time in the history of the church. Yet polity remains as important now as it was in the New Testament. What then is a right or biblical polity? The contributors to this volume make an exegetical and theological case for a Baptist polity. Right polity, they argue, is congregationalism, elder leadership, diaconal service, regenerate church membership, church discipline, and a Baptist approach to the ordinances. Each section explores the pastoral applications of these arguments. How do congregationalism and elder leadership work together? When should a church practice church discipline? How can one church work with another in matters of membership and discipline? To be read sequentially or used as a reference guide, *Baptist Foundations* provides a contemporary treatment of Baptist church government and structures, the first of its kind in decades.

**The Church (Chinese)** Jan 20 2023 The Church is Mark Dever's primer on the doctrine of the church for all who see Scripture alone as

a sufficient authority for the doctrine and life of the local church. He explains to the reader what the Bible says about the nature and purpose of the church- what it is, what it's for, what it does.

**Going Public** Apr 30 2021 *Going Public* builds a theological case for why baptism is required for church membership, answers objections, and applies this theological vision to the local church's practice of baptism, the Lord's Supper, and church membership.

Understanding Church Discipline Sep 16 2022 Should we actually practice church discipline today? Is it unloving? Once an ordinary part of church life, churches gradually stopped practicing church discipline in the 20th century. But Jesus commands it. Paul practiced it. And churches benefit from it. Why practice church discipline? It shows love for the individual caught in sin, love for the whole church, love for non-Christian neighbors, and love for the glory of Christ.

The Pastor's Wife Dec 07 2021 But you're the pastor's wife!' Like most pastors' wives, Gloria Furman has found herself shouldering the burden of unrealistic expectations. 'Who am I? What am I? Am I supposed to be playing some sort of role? If so, where did I put that script?' she asks. But, she argues, our identity as a woman, a wife or a pastor's wife must come second to our primary reference point: that of being found in Christ. With honesty and humour, and a truly fascinating window into the Middle East where she lives, Gloria helps us to love the Chief Shepherd and his under-shepherd, to love the church and look forward to the return of Christ.

Christians face lots of practical questions when it comes to life in the local church: How is the gospel displayed in our lives together? What are we supposed to do and believe? Different followers answer differently-even as they preach the same gospel! What should we think about such differences?A church's life, doctrine, worship, and even polity are important issues. Yet they are so rarely addressed. The Church is Mark Dever's primer on the doctrine of the church for all who see Scripture alone as a sufficient authority for the doctrine and life of the local church. He explains to the reader what the Bible says about the nature and purpose of the church--what it is, what it's for, what it does.Indeed, Scripture teaches us about all of life and

doctrine, including how we should assemble for corporate worship and how we're to organize our corporate life together. God has revealed himself by his Word. He is speaking to us, preparing us to represent him today, and to see him tomorrow! A congregation of regenerate members, fulfilling the responsibilities given to us by Christ himself in his Word, regularly meeting together, led by a body of godly elders, is the picture God has given us in his Word of his church.

Leading Baptist thinkers Daniel L. Akin, R. Albert Mohler, Jr., Paige Patterson, Mark Dever, et al. address four major issues in regard to eight Christian doctrines (revelation, God, humanity, Christ, the Holy Spirit, salvation, the Church, and last things). Revised edition.

*Marks of the Messenger* Mar 10 2022 Short-term missions expert J. Mack Stiles believes we can't separate who we are and how we live from what we say as we interact with people about the good news of Jesus. We need to live out the reconciling forgiveness of God as opposed to loving in the world's way. And when we leave things out of the gospel, not only is the message distorted but so are we as messengers. In this book Stiles shows us an integrated approach to knowing the gospel, living the gospel and speaking the gospel makes us whole, healthy evangelists.

Continental Calvinian Influences on the Scottish Reformation Mar 30 2021 The book

argues for seeing Calvinian influence as the most significant influence for the Scottish reform movement of 1560. It examines John Calvin's understanding of discipline and interpretations of it by the wider continental Calvinian family, particularly John a Lasco, Val(r)rand Poullain and the French Reformed Church, and their connections and influences on the Scottish Reformation."

La Iglesia Oct 17 2022 La Iglesia es el manual de Mark Dever sobre la iglesia para todos los que ven la Escritura como la única autoridad suficiente para la doctrina y la vida en iglesia local. Dever explica al lector lo que dice la Biblia sobre la naturaleza y el propósito de la iglesia: qué es, para qué sirve, qué es lo que hace. The Church is Mark Dever's primer on the church for all who see Scripture alone as a sufficient authority for the doctrine and life of the local church. He explains to the reader what the Bible says about the nature and purpose of the church-- what it is, what it's for, what it does.

Understanding Church Leadership Nov 18 2022 Who leads a church? Why is this important to God? God cares about his glory, and he means to display his glory through the church. For this very end, God has established elders and deacons, members, and congregational authority. This primer on church structure connects the different offices of the church to one another and to the glory of God.

*Counterfeit Gospels* Jul 14 2022 What if the biggest danger to the church of Jesus Christ is not blatant heresy, the moral failures of church leaders, persecution, the rise of Islam or the loss of our rights? What if the biggest threat is counterfeit gospels within the church, ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture? The gospel is like a three-legged stool. There's the Gospel Story - the grand narrative of Scripture (Creation, Fall, Redemption, Restoration). Within that overarching framework, we make the Gospel Announcement about Jesus Christ (His perfect life, substitutionary death, resurrection, exaltation). The gospel announcement then births the Gospel Community: God's church - the embodiment of the gospel, the

manifestation of God's kingdom. A counterfeit gospel is like a colony of termites, eating away at one of the legs of this stool until the whole thing topples over. This book exposes six common counterfeits (Therapeutic, Judgmentless, Moralistic, Quietist, Activist, and Churchless) that would get us off track. The goal of Counterfeit Gospels is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished. So come, love the gospel, recognize and overcome the counterfeits, and be empowered for ministry!

*Orthodoxies in Massachusetts* Nov 25 2020 Reexamining religious culture in seventeenth-century New England, Janice Knight discovers a contest of rival factions within the Puritan orthodoxy. Arguing that two distinctive strains of Puritan piety emerged in England prior to the migration to America, Knight describes a split between rationalism and mysticism, between theologies based on God's command and on God's love. A strong countervoice, expressed by such American divines as John Cotton, John Davenport, and John Norton and the Englishmen Richard Sibbes and John Preston, articulated a theology rooted in Divine Benevolence rather than Almighty Power, substituting free testament for conditional covenant to describe God's relationship to human beings. Knight argues that the terms and content of orthodoxy itself were hotly contested in New England and that the

dominance of rationalist preachers like Thomas Hooker and Peter Bulkeley has been overestimated by scholars. Establishing the English origins of these differences, Knight rereads the controversies of New England's first decades as proof of a continuing conflict between these two religious ideologies. The Antinomian Controversy provides the focus for a new understanding of the volatile processes whereby orthodoxies are produced and contested. This book gives voice to this alternative piety within what is usually read as the univocal orthodoxy of New England, and shows the political, social, and literary implications of those differences.

**Above All** May 12 2022 Is gospel Christianity dead? Pundits are writing the obituary of historic, orthodox Christianity, but pastor and author J. D. Greear (Gospel, Stop Asking Jesus into Your Heart) believes the postmortems are premature. Jesus promised to build his church. He said that the gates of hell would not prevail against it. The church is not going away. Along with this promise, Jesus gave clear instructions for how the church would prevail. He promised to build it on the rock of the gospel. The most pressing need for Christianity today is not a new strategy. It is not an updated message. It is a return to keeping the gospel above all.

De Soevereiniteit van God Jan 28 2021 Mensen geloven niet meer dat aardse zaken door God worden bestuurd. Al eeuwen bestaat de opvatting dat de mens autonoom beslissingen neemt. Blijft natuurlijk de vraag: Wie staat aan het roer van de wereldgeschiedenis? Heeft God Zijn schepping nog wel in de hand? Gods soevereiniteit is de sleutel van de geschiedenis en vormt het fundament van het christelijk geloof. Maar helaas is dit voor velen een onbekende term geworden. In dit boek wordt Gods soevereiniteit belicht vanuit het reformatorische en puriteinse denken en geloof. Arthur Pink was een Brits evangelist en bijbelleraar, die leefde in de eerste helft van de vorige eeuw. Hij liet talloze werken na, die terug gingen naar de Reformatie en de tijd van de Puriteinen. De verspreiding van zijn geschriften na zijn dood maakte hem tot een van de meest invloedrijke evangelische auteurs in de vorige eeuw. Zijn boeken wekten een hernieuwde interesse in wat bekend staat als

"verklarend preken". Hij benadrukte in al zijn werken de noodzaak van een leven zoals dit beschreven wordt in de Bijbel. Zijn werken getuigen van een grote diepgang en inzicht in het evangelie. Pieter Weeber studeerde Engelse Taal- en Letterkunde en was docent aan de Faculteit Economie & Management aan de Hogeschool van Utrecht. Op latere leeftijd behaalde hij zijn Master's Degree in de Verenigde Staten. In 2007 promoveerde hij op het onderwerp Election aan de Newburgh Theological Seminary in Indiana. Hij preekt in een groot aantal gemeenten in Nederland en heeft verschillende boeken gepubliceerd, zowel in het Engels als in het Nederlands.
