[School of Velocity](#) Jun 18 2022 Oliver Sacks meets Patricia Highsmith in this psychologically taut tale about a virtuoso pianist plagued by unwanted music in his head Jan, an experienced virtuoso pianist, is about to go on stage to perform his solo. But, once again, the music he hears in his head is not what he is supposed to be playing. Will it go away in time, or will it sabotage his performance? As he struggles with this hidden condition, he thinks about his high school friend Dirk - a magnetic, eccentric personality. It began like a game, with Dirk playfully stealing Jan's first girlfriend. And it continued like a game - a very close friendship with an undertone of danger. They go their separate ways after high school, but when they reunite as adults, Jan wonders: is Dirk really the strong character he appeared to be, and was their friendship in fact real, life-long love? The final game Jan plays - a blind ride on a dark country road - is the most dangerous of all. In this powerful debut, Eric Beck Rubin conjures up a moving tale full of music and raw human emotion, with a virtuoso touch. Eric Beck Rubin is a cultural historian who writes on architecture, literature and psychology, and this novel is his first foray into fiction. He is currently at work on a second: a family saga spanning several generations, from pre-World War II Germany to present-day Los Angeles and Western Canada. He lives in Toronto, Canada.

**Doodnormaal** Oct 10 2021 “Het komt niet vaak voor dat iemand precies het moment kan aangeven waarop zijn leven naar de klote ging. Maar ik ben één van de gelukkigen, het was op 5 april om 19:23:17. De oorzaak: twee ogen.” Hij woont bij jou in de buurt, in een keurig huis met een nette tuin. Hij doet zijn boodschappen bij dezelfde supermarkt als jij, en als hij per ongeluk tegen je aanbotst, verontschuldigt hij zich beleefd. Hij zegt altijd vriendelijk gedag. Doodnormaal dus. Wat je niet weet, is dat hij een geheime kelder onder zijn huis heeft gebouwd. Dat de boodschappen die in zijn kar liggen niet voor hem zijn, maar voor de vrouw die hij daar gevangen houdt. En dat zij niet de eerste is die een gruwelijk lot wacht. Zo gaat het al jaren, en hij vindt het doodnormaal. Tot hij die ene vrouw ontmoet die alles verandert... 'Hoe een lezer te manipuleren? **The Bullet** Nov 11 2021 Nothing is what it seems in NPR correspondent Mary Louise Kelly's “riveting, twisty tale” (Hallie Ephron, author of *Night Night, Sleep Tight*), in which a woman discovers a decades-old bullet at the base of her neck. Caroline Cashion is stunned when an MRI reveals that she has a bullet lodged near the base of her skull. It makes no sense: she has never been shot. She has no scar. When she confronts her parents, she learns the truth: she was adopted when she was three years old, after her real parents were murdered in cold blood. Caroline had been there the night of the attack, and she'd been hit by a single gunshot to the neck. Buried too deep among vital nerves and blood vessels, the surgeons had left it, and stitched up the traumatized little girl with the bullet still inside. Now, thirty-four years later, Caroline returns to her hometown to learn whatever she can about who her parents were, and why they died. A cop who worked the case reveals that even after all these years, police still don't have enough evidence to nail their suspect. The bullet in Caroline's neck could identify the murderer... and that person will do anything to keep it out of the law's hands. Now Caroline will have to decide: run for her life, or stay and fight? With non-stop action, “an extremely likable narrator and twists and turns galore” (Alice LaPlante, author of *Turn of Mind*), *The Bullet* will keep you riveted until the very last page.

**The Billionaire's Game** Sep 09 2021 Aspiring screenwriter Ines Andrada is eager to pursue her dreams and quit her job as the overworked and unappreciated assistant to a famous film star. But when she takes her movie script to a respected producer, she ends up in bed with her boss's insanely hot ex-boyfriend. Despite his billions and a reputation as a ladies' man, Mason Kilborne doesn't have much luck in relationships. So the last thing he needs is to be sent an escort as a thank-you gift by a business partner. The very attractive, (surprisingly) geeky blonde who shows up at his door is hard to resist, but she may not be all she pretends to be. Ines doesn't know what's worse — Mason mistaking her for an escort or accusing her of blackmail. One thing's for sure: if her boss ever finds out, Ines will be kicked out of show business permanently. It doesn't help that Mason keeps showing up at work, on the movie set — and in her wildly inappropriate fantasies. \_\_\_\_\_ This edition contains a 4-part epilogue.

**American Project** Mar 23 2020 High-rise public housing developments were signature features of the post-World War II city. A hopeful experiment in providing temporary, inexpensive housing for all Americans, the “projects” soon became synonymous with the black urban poor, with isolation and overcrowding, with drugs, gang violence, and neglect. As the wrecking ball brings down some of these concrete monoliths, Sudhir Venkatesh seeks to reexamine public housing from the inside out, and to salvage its troubled legacy. Based on nearly a decade of fieldwork in Chicago's Robert Taylor Homes, *American Project* is the first comprehensive story of daily life in an American public housing complex. Venkatesh draws on his relationships with tenants, gang members, police officers, and local organizations to offer an intimate portrait of an inner-city community that journalists and the public have only viewed from a distance. Challenging the conventional notion of public housing as a failure, this startling book re-creates tenants' thirty-year effort to build a safe and secure neighborhood: their political battles for services from an indifferent city bureaucracy, their daily confrontation with entrenched poverty, their painful decisions about whether to work with or against the street gangs whose drug dealing both sustained and imperiled their lives. *American Project* explores the fundamental question of what makes a community viable. In his chronicle of tenants' political and personal struggles to create a decent place to live, Venkatesh brings us to the heart of the matter.

**De wintersoldaat** Jun 25 2020 Wenen, 1914. Lucius is een tweeëntwintigjarige geneeskundestudent als Europa in de greep raakt van de Eerste Wereldoorlog. Meegeslept door romantische verhalen over operaties op het slagveld neemt hij dienst in het leger en rekt op een aanstelling bij een goedgeorganiseerd veldhospitaal. Maar als hij aankomt in een gevorderde kerk ergens ver afgelegen in een dal in de Karpaten, treft hij een ijskoude, door tyfus geteisterde buitenpost aan. Alle dokters zijn gevlucht; de enige achterblijver is een mysterieuze verpleegster, zuster Margareta. Maar Lucius heeft nog nooit een scalpel gehanteerd. En terwijl de oorlog voortraast over het winterse landschap, wordt hij verliefd op de vrouw van wie hij een primitief soort geneeskunde leert. Dan wordt er op een dag, vanuit de sneeuw, een bewusteloze soldaat binnengedragen, wiens uniform is volgepakt met vreemde tekeningen. Hij lijkt niet meer te redden, totdat Lucius een beslissing neemt die het leven van de dokter, de patiënt en de zuster voorgoed zal veranderen. Van de vergulde balzalen in het keizerlijke Wenen tot de bevroren wouden van het Oostelijk front, van armzalige operatiekamers tot slagvelden met woeste kozakken te paard: *De wintersoldaat* is een verhaal over oorlog en geneeskunde, over loyaliteit, over liefde in turbulente tijden en, uiteindelijk, over de fouten die we begaan en de zeldzame kansen die we krijgen om het goed te maken.

**Among the Living and the Dead** Apr 16 2022 A powerfully told memoir of family, separation, and the things left unsaid, in the wake of the Second World War Raised by her grandparents in the USA, Inara Verzemnieks grew up among expatriates, scattering smuggled Latvian sand over the coffins of the dead, singing folk songs about a land she had never visited. Her grandmother Livija's stories recalled the remote village in Latvia left behind, where she and her sister, Ausma, were separated during the Second World War. They would not see each other again for more than fifty years. Coming to know Ausma and the trauma of her exile to Siberia under Stalin, Inara pieces together her grandmother's survival through the years as a refugee, and her grandfather's own troubling history as a conscript in the Nazi forces. As she interweaves two parts of the family story in spellbinding, lyrical prose, she offers us a profound and cathartic account of loss and survival, resilience and love. Inara Verzemnieks teaches creative non-fiction at the University of Iowa. She has won a Pushcart Prize and a Rona Jaffe Writer's Award, and has been a finalist for the Pulitzer Prize in feature writing. She lives in Iowa City, Iowa.

*67 People I'd Like To Slap* Aug 28 2020 *67 People I'd Like to Slap* is one man's journey through the labyrinthine world of human angst and annoyance. The comedy writer, broadcaster and journalist Ian Collins lists, exposes and mocks that irritating contingent of the human race whose job, it seems, is to make life just a tad more infuriating than it needs to be. From psychics to exotic pet owners, Brits using chopsticks and over-35s at music festivals, through to middle-class protesters, elderly people in small cars and the billion cringe-crimes that are committed on social media every day (plus a healthy dose of well-known names too), Collins's often brutal but hilarious search into the pit of human idiocy leaves few stones unturned. He also addresses some of life's most serious questions: - Is Jeremy Clarkson part of a completely different gene pool? - What happens when you upset every Beyoncé fan on the planet? - Why is Andrew Marr's sofa an affront to intelligent thinking? - How could a nice guy like Benedict Cumberbatch annoy anyone? - Has social media shrunk our brains? - What happens to a sense of shame when men visit the gym? Part polemic and part diary, Collins spent a year documenting all those areas (and people) that could bug the hell out of the calmest of souls. Armed only with a sensible pen, notepad and a standard High Street blood pressure monitor, he sets out to create the ultimate list. In the author's words, *67 People I'd Like to Slap* is the non-negotiable oracle of all things bamboozling when it comes to human behaviour - the definitive guide that no sane person could ever argue against. Or could you...?

*My Year of Buying Nothing* Jul 27 2020 Lee Simpson may seem like an unlikely candidate to don the mantle of anti-consumerist prophet. She is, after all, the former publisher of Canada's most successful women's lifestyles magazine, *Chatelaine*. But that is just the first of many surprising things about her new book *My Year of Buying Nothing*. In the 1980s and '90s, Simpson oversaw the heady days of women's magazine publishing. Although proud of the excellent journalism featured in her magazines, and of the pioneering work of the editors she worked with, her "primary role as senior executive was to ensure that a maximum number of advertising pages got sold." "I was part of the data analysis and market research conglomerate that helped consumer predators know your weaknesses and exploit them mercilessly." In *My Year of Buying Nothing*, Simpson invites readers into her world to witness first hand the struggles she faced, the decisions and compromises she had to make, and the epiphanies and wisdom she won during her year-long attempt to shed her "consumer" skin and live a more sustainable, more authentic, more earth-friendly life. Who better to choose as a guide to a new, healthier post-consumer lifestyle than someone who is intimately familiar with the pitfalls and dangers of the starting place, and the challenges of the way forward
